Project UDAYAK Latest News

Recently, the Border Roads Organisation (BRO) celebrated the 37th Raising Day of Project UDAYAK.

About Project UDAYAK

- It is an initiative of the **Border Roads Organisation**.
- The Project was **aptly named 'Udayak'**, meaning the **Rising Sun** as the first rays of the rising sun in the country fall in the AOR of the project.
- **History**
 - It was **raised on 01 Jun 1990** at Doomdooma, Assam as part of the restructuring undertaken to focus on the development on the far-eastern area of the country.
 - Its two task forces, 48 BRTF and 752 BRTF were **carved out of Projects Vartak and Sewak** respectively, to form the two executive arms of the Project.
- **Achievements of Project UDAYAK**

- It has been instrumental in the development and **maintenance of strategic road infrastructure** in the **easternmost regions of Arunachal Pradesh and parts of Assam.**
- The Project plays a vital role in enhancing connectivity in remote and strategically significant areas along the **Line of Actual Control (LAC) and the Indo-Myanmar border.**
- The Project is currently undertaking construction of roads and border fencing infrastructure, along the Indo-Myanmar border, strengthening national security and improving accessibility in border regions.
