The Rampa Rebellion (1922-1924)

The **Rampa Rebellion**, also known as the **Manyam Rebellion**, remains one of the most remarkable tribal uprisings against British colonial rule.

The British government introduced restrictive forest laws that prevented tribal people from practicing traditional cultivation, collecting forest produce, and accessing natural resources. These policies severely affected their livelihoods.

Recognizing the injustice faced by tribal communities, Alluri Sitarama Raju organized them into a disciplined resistance movement. He led attacks on British police stations, seized weapons, and challenged colonial authority across the **Eastern Ghats**.

Martyrdom of Alluri Sitarama Raju

After nearly two years of resistance, British authorities intensified military operations to suppress the rebellion. In **May 1924**, Alluri Sitarama Raju was captured by British forces.

On **7 May 1924**, he was executed by firing squad. His sacrifice transformed him into one of India's greatest revolutionary martyrs. Even after his death, his bravery continued to inspire the freedom movement across the country.
