About Har Shikhar Tiranga (HST) Mission:

- It is a **unique expedition to hoist the national flag on the highest point of every state** of India for the first time.
- It is a **campaign under the aegis of the Azadi Ka Amrit Mahotsav to take the tricolour to all the states of the country and hoist it on the summits** to mark the 75th year of independence and to commemorate India's G20 presidency.
- It is the **brainchild of Colonel Jamwal** who is a veteran of more than **52 successful expeditions and is the only Indian to have summited Mount Everest three times** and **climbed the Seven Summits**, touching the **highest points of the seven continents**.
- The summit will **begin from summiting Mt. Reo Purgyl** in Himachal Pradesh and **end at Mt Jongsong** in Sikkim.
- The **lowest in terms of elevation will be Someshwar Fort in Bihar** which is around 800 m.
- **Highest climbable mountain in India:**

- The **highest peak under Indian control is Kanchenjunga (8,586 m) in Sikkim** but is closed for climbs.
 - The next is **Nanda Devi (7,816 m)** but it's a world heritage site and national biosphere reserve.
 - Thus the **highest climbable mountain in India is Mt Kamet (7,756 m)** in Uttarakhand.
-

Q1) Which is the highest peak in India?

The highest peak under Indian control is Kanchenjunga (8,586 m). It is the third highest mountain-peak in the world and located between the state of Sikkim in India and Taplejung District, in Nepal.
