Explosive Ordnance Disposal Exercise Latest News

The Indian Navy-US Navy Explosive Ordnance Disposal (EOD) Exercise 2026 is scheduled to be conducted at Southern Naval Command, Kochi till the 14th of this month.

About Explosive Ordnance Disposal Exercise

- It is a **bilateral exercise** conducted between the Indian **Navy and US Navy**.
- It aims to **enhance interoperability and strengthen professional cooperation** between the specialist diving and EOD teams of the two navies.
- It has been conducted by both **countries since 2005**.
- The **forthcoming engagement marks the eighth edition** of this specialised bilateral training exercise.
- **Features**
 - It will comprise **Subject Matter Expert Exchanges (SMEEs)**, cross-training, equipment demonstrations and scenario-based practical exercises.

- It will facilitate the **exchange of contemporary EOD methodologies**, emerging technologies and Best Practices.
- It is designed to promote **collaborative learning and operational synergy**, enabling personnel from both navies to refine procedures, enhance mutual understanding and strengthen their ability to **respond effectively to complex and evolving EOD challenges**.
- **Significance:** It underscores the enduring commitment of the two navies towards enhancing interoperability, sharing operational expertise and strengthening cooperation in specialised maritime operations.
