INS Trikand Latest News

Indian Naval Ship INS Trikand will participate in the 58th National Day celebrations of Mauritius.

About INS Trikand

- It is a **Talwar-class guided-missile frigate** of the Indian Navy.
- It is the third and final ship of the second batch of Talwar-class frigates ordered by the Indian Navy.
- It was built by the **Yantar shipyard in Kaliningrad, Russia**.
- It was commissioned into the Indian Navy on 29 June 2013 at Kaliningrad, Russia.
- It is part of the Indian Navy's Western Fleet and operates under the Western Naval Command headquartered at Mumbai.
- **Features of INS Trikand**
 - **Armory:** It carries a **supersonic BRAHMOS missile system**, advanced surface-to-air missiles Shtil, an upgraded A190 medium-range gun, electro-optical 30 mm close-in weapon system, anti-submarine weapons such as torpedoes and rockets, and an advanced electronic warfare system.

- The weapons and sensors are integrated through a Combat Management System '**Trebovanie-M**', which enables the ship to simultaneously neutralise multiple surface, sub-surface, and air threats.
- It is **powered by four gas turbines**.
- It is capable of **speeds more than 30 knots** and is configured to carry a Kamov 31 helicopter.
