About Global Partnership on Artificial Intelligence

- It is a multi-stakeholder initiative which aims to bridge the gap between theory and practice on AI by supporting cutting-edge research and applied activities on AI-related priorities.
- It was launched in June 2020.
- Membership in GPAI is open to all countries, including emerging and developing countries.
- Member countries: At present it has 28 member countries including the European Union.
- India is one of the founding members of GPAI.
- Secretariat: Its secretariat is hosted at the Organisation for Economic Co-operation and Development (OECD), Paris.
- Structure
 - It has a Council and a Steering Committee.
 - It has two Centres of Expertise: One in Montreal and another in Paris.
 - These Centres of Expertise will facilitate GPAI's four working groups and their research and practical projects, across various sectors and disciplines.
- The working groups will initially focus on four themes:
 - Responsible AI

- Data Governance
 - the Future of Work
 - Innovation and Commercialization
-

Q1) What is the Organisation for Economic Co-operation and Development (OECD)?

It is an international organisation of 38 countries committed to democracy and the market economy. OECD members are typically democratic countries that support free-market economies. The OECD was established on Dec. 14, 1960, by 18 European nations, plus the United States and Canada.
