

JIGYASA program

December 28, 2024 • vajiramandravi.com

About JIGYASA program:

- It was launched in 2017 by the Council of **Scientific & Industrial Research (CSIR)**.
- It is also known as **CSIR Jigyasa program**, it is an initiative taken during the Platinum Jubilee year.
- It promotes curiosity and scientific temperament as part of **Scientific Social Responsibility (SSR)**.
- **Objective:** The objective of Jigyasa is to **extend the classroom learning** by focusing on well-planned **research laboratory based learning** for school students.
- To bring in quality with value added research knowledge, CSIR laboratories collaborate with Kendriya Vidyalayas (KVS), Navodaya Vidyalayas (NVS), Karnataka State S&T Academy (KSTA), Atal Innovation Mission (AIM) and NitiAayog etc.
- The target audience for the Virtual Lab platform is **students of the standard VI to XII** (11-18 years) who would like to explore science using different activities, experienced researchers and faculties on the subjects of Science, Mathematics, Biology and IT.

Q1: What is One Week One Lab Campaign?

The One Week One lab campaign of the Council of Scientific & Industrial Research (CSIR), will highlight India's global excellence in technology, innovation and Start-ups.
