National Manufacturing Mission Latest News

Recently, the Union Minister for Finance announced the National Manufacturing Mission while presenting the Union Budget 2025-26 in Parliament.

About National Manufacturing Mission

- It covers **small, medium and large industries** for furthering “Make in India”.
- It will lay **emphasis on five focal areas** i.e.
 - Ease and cost of doing business; future ready workforce for in-demand jobs; a vibrant and dynamic MSME sector; availability of technology; and quality products.
- Under this Mission, the government will provide **policy assistance**, implementation roadmaps, and governance and **monitoring structures for central ministries and states**.
- It aims to **enhance domestic value addition** and build a **robust ecosystem for solar PV** cells, electric vehicle (EV) batteries, motors and controllers, electrolysis, wind turbines, high-voltage transmission equipment, and grid-scale batteries.
- The Mission will also support **Clean Tech manufacturing**.
- It will support design capacity, component manufacturing, and machinery required for production of non-leather quality footwear, besides the support for leather footwear and products.
- In addition to the mission, the credit guarantee cover is to be enhanced for MSMEs to Rs 10 crore from Rs 5 crore and investment and turnover limit for classification of all MSMEs will be enhanced to 2.5 and 2 times.
