58th Conference of Directors General of Police / Inspectors General of Police

- About
 - The three-day Conference, from January 5 to 7, 2023, was held in hybrid format in Jaipur, Rajasthan.
 - About 100 invitees including DGP of States/UTs and Heads of Central Armed Police Forces and Central Police Organizations attended the Conference physically.
 - The remaining invitees participated virtually from across the country.
 - The conference is the culmination of extensive deliberations involving police and intelligence officers from the district, state and national levels on identified themes.
- Hosted by
 - Intelligence Bureau at the Rajasthan International Centre in Jhalana.
- Outcomes
 - Best practices from States and Union Territories was presented at the Conference so that they can learn from each other.
 - The Conference deliberated on critical components of national security, including:
 - newly enacted major criminal laws,
 - counter terrorism strategies,
 - left wing extremism,
 - emerging cyber threats,
 - worldwide counter radicalisation initiatives etc.
 - Off late, the Conference has started discussions on futuristic themes in policing and security.
 - This is to ensure not only safety in the present times, but also to develop capability to meet emerging issues and challenges.

News Summary: Key highlights of the speech delivered by PM Modi

- Spirit behind the new criminal laws
 - New criminal laws were framed with the spirit of 'Citizen First, Dignity First and Justice First'

- Instead of working with 'danda', Police now needs to work with 'Data'.
 - Women and girls need to be sensitised about their rights
 - He laid special focus on sensitising women and girls about their rights and protection provided to them under the new Criminal Laws.
 - He exhorted Police to focus on women safety by ensuring that women could work fearlessly 'kabhibhi aur kahinbhi' (anywhere anytime).
 - Underscored the need to reinforce the positive image of the police in citizens
 - He advised the use of social media at the Police Station level for disseminating positive information and messages for the benefit of citizens.
 - He suggested using social media for disseminating advance information on natural calamities and disaster relief.
 - He also suggested organising various sports events as a way to strengthen citizen-police connect.
 - Urged the government officials to stay in border villages
 - To establish better 'connect' with local populace as these border villages were the 'first villages' of India.
 - India is emerging as a major power in the world
 - PM highlighted the success of India's first solar mission – Aditya-L1 and the swift rescue of 21 crew members from the hijacked vessel in Arabian sea by the Indian Navy.
 - In this context, he said that such achievements show that India is emerging as a major power in the world.
 - He said that Aditya-L1 success is similar to the success of Chandrayaan-3 mission.
 - He added that in line with the improving global profile and increasing national strength of the country, the Indian police should transform itself into a modern and world class police force to realise the vision of a developed India by 2047.
-

Q1) What is What is Aditya-L1?

Aditya-L1 is a satellite designed to study the Sun. The name Aditya comes from Sanskrit and means "Sun". L1 refers to Lagrange Point 1, which is a point in the Sun-Earth system that is about 1.5 million kilometers from Earth.

Q2) What is Maoism?

Maoism is a form of communism developed by Mao Tse Tung. It is a doctrine to capture State power through a combination of armed insurgency, mass mobilization and strategic alliances.
