Ayush Suraksha Portal Latest News

Recently, the Union Minister of State (Independent Charge), Ministry of Ayush; and Union Minister of State, Ministry of Health & Family Welfare, Government of India launched the AyushSuraksha Portal at Ayush Bhawan, New Delhi.

About Ayush Suraksha Portal

- This portal represents a significant advancement in **pharmacovigilance and regulatory convergence within the Ayush ecosystem.**
- It is developed with the technical support of the **Central Council for Research in Siddha (CCRS).**
- It is aligned with the **National Pharmacovigilance Program**, allows consumers, healthcare professionals, and regulatory authorities to report and monitor misleading advertisements and adverse drug reactions through a seamless digital process.
- The system integrates multiple authorities, including the Ayush vertical under CDSCO, **Moi&B, CCPA, NCISM, NCH, PCI, FSSAI**, and State Licensing Authorities, ensuring coordinated response and enforcement.

Significance of Ayush Suraksha Portal

- The Ministry of Ayush now has a **centralised and accessible** dashboard of reported cases, enabling **real-time tracking, swift regulatory action**, and detailed data analysis.
- The system also ensures that **citizens have a direct channel** to **voice their concerns**, with transparent visibility into the action taken on their reports.
- By integrating data from State Licensing Authorities, national pharmacovigilance centres, and key regulatory stakeholders, the portal facilitates real-time monitoring, systematic analysis, and coordinated action on misleading advertisements and adverse drug reactions.
- It reflects the Ministry's unwavering commitment to **responsible governance, evidence-based practices**, and the safety of millions of citizens who trust and rely on India's traditional systems of medicine.
