Krishi Nivesh Portal

Krishi Nivesh Portal Latest News

In a bid to boost and expedite investments in the agriculture sector, the government is working to integrate schemes from various ministries and state governments under a unified digital platform — the Krishi Nivesh portal

About Krishi Nivesh Portal

- It is an initiative by the **Ministry of Agriculture & Farmers Welfare** to facilitate farmers and investors.
- The portal will **cater to diverse stakeholders**, including **farmers, entrepreneurs, and industries**, by providing **easy access to information regarding various** Central and State Government **schemes**.
- There are **many government schemes** for farmers' welfare through which the **investors can avail the subsidized benefits** provided by various departments, divisions, and ministries.
- This portal is a **one-stop place for availing the benefits promulgated by** different Government **departments and ministries** in the agriculture sector.
- It is a comprehensive platform designed **to enhance agribusinesses, attract investments**, and improve farmers' income.

- It serves as a **centralized interface to track investment opportunities, monitor the status** of applications, and **access information on schemes** — all **from a single source**.
- It is designed to streamline the investment process, making it more transparent and efficient.
- The portal features a **user-friendly interface, real-time assistance through chatbot**, and **interactive dashboards** for data-driven decision-making.
- It **currently provides information on 17 flagship agri-sector schemes**, including the Agriculture Infrastructure Fund, Animal Husbandry Infrastructure Development Fund, PM Kisan Sampada Yojana, and PM-KUSUM (Pradhan Mantri Kisan Urja Suraksha evam Utthaan Mahabhiyan), covering initiatives from seven ministries on a single platform.
- Currently, the portal is being **utilised by multiple ministries**, including those of agriculture, food processing, rural development, jal shakti, new and renewable energy, and fertilisers.
