Pact for Future Latest News

India has reiterated its firm support for the Pact for the Future and its key annexes- the Global Digital Compact and the Declaration on Future Generations- during the third informal dialogue to review the agreement.

About Pact for Future

- It is the **most wide-ranging international agreement** covering entirely new areas and issues on which agreement has not been possible in decades.
- **Aim:** It aims to strengthen global cooperation and accelerate progress on the **Sustainable Development Goals** (SDGs)
- It ensures that **international institutions** can deliver in the face of a world that has changed dramatically since they were created.
- **Issues covered:** The Pact covers a broad range of issues including **peace and security**, sustainable development, **climate change**, **digital cooperation**, human rights, gender, youth and future generations, and the transformation of global governance.

- The Pact for the Future includes a **Global Digital Compact and a Declaration on Future Generations**.
- It was adopted at the Summit of the Future **held in New York in September 2024**.
- Its adoption demonstrates that countries are committed to an international system with the United Nations at its centre.
