Tato-II Hydroelectric Project Latest News

The Cabinet Committee on Economic Affairs (CCEA) recently approved an investment proposal worth ₹8,146.21 crore for the construction of the 700 MW Tato-II Hydro Electric Project (HEP) in Shi Yomi district of Arunachal Pradesh.

About Tato-II Hydroelectric Project

- It is a **700 MW** hydro power project planned on **Siyom river/basin in Arunachal Pradesh**.
- It is a **run-of-river project**. The hydro reservoir capacity is planned to be 56 million cubic meters.
- The project consists of 4 turbines, each with 175MW nameplate capacity.
- It is expected to generate 2,738.06 million units of energy.
- The Power generated from the project will help **improve the power supply position in the state of Arunachal Pradesh** and will also **help in balancing the national grid**.
- **Arunachal Pradesh will receive 12% free power** and an additional **1% for the Local Area Development Fund (LADF)**.

- The project will be implemented through a **joint venture between North Eastern Electric Power Corporation Ltd (NEEPCO) and the Government of Arunachal Pradesh.**
- The project will cost Rs 8,146.21 crore.
