INS Taragiri Latest News

The Indian Navy is preparing to commission its latest stealth Frigate, Taragiri (F41), on 03 Apr 2026.

About INS Taragiri

- It is the **fourth ship of Nilgiri Class** (Project 17A) built by **Mazagon Dock Shipbuilding Ltd (MDL)**.
- It is a reincarnation of the erstwhile INS Taragiri, a Leander-class frigate that was part of the Indian Naval fleet.
- It is designed by the **Warship Design Bureau (WDB)**.

Features of INS Taragiri

- It is fitted with an advanced weapon and sensor suite compared to the P17 (Shivalik) class.
- It is designed for '**High-Speed - High Endurance**' **versatility** and multi-dimensional maritime operations.
- The ship's weapon suite is featuring supersonic **Surface-to-Surface Missiles**, Medium Range Surface-to-Air Missiles, and a **specialised Anti-Submarine Warfare suite**.

- **Propulsion:** It is configured with **Combined Diesel or Gas (CODOG)** propulsion plants, comprising a diesel engine and a gas turbine that drive a **Controllable Pitch Propeller (CPP)** on each shaft, and state-of-the-art **Integrated Platform Management System (IPMS)**.
- **Weapon suit:** The potent weapon and sensors suite comprises **BrahMos SSM, MFSTAR and MRSAM complex, 76mm SRGM**, and a combination of 30 mm and 12.7 mm close-in weapon systems, along with rockets and torpedoes for anti-submarine warfare.
