

What is W12+ Blueprint?

April 6, 2023 • vajiramandravi.com

About W12+ Blueprint:

- It is a **UNESCO platform** that hosts city profiles and case studies of programs, technologies, and policies that address common water security challenges.
- It is **an informational database** for solutions to **urban water challenges**.
- **Aim:** To create a tool that provides insight into how to address common urban water challenges through easy-to-read case studies.
- Lessons learned from the other W12+ Programs will be incorporated and highlighted within the Blueprint.
- It will house information on best practices, encourage further knowledge exchange, and become a “virtual Hub” for urban water security solutions globally.
- Cities listed under this blueprint from India are **Chennai, Bengaluru, Mumbai and Pune**.

Q1) What is the mission of UNESCO?

UNESCO's mission is to contribute to the building of a culture of peace, the eradication of poverty, sustainable development and intercultural dialogue through education, the sciences, culture, communication and information
