Engineering Export Promotion Council of India (EEPC India) Latest News

The Engineering Export Promotion Council of India (EEPC) recently demanded lowering of income tax for non-corporate manufacturing MSMEs in the Union Budget and expediting payment of GST refunds.

About Engineering Export Promotion Council of India (EEPC India)

- It is the premier **trade and investment promotion organization** in India, **catering to the Indian engineering sector**.
- **Sponsored by the Ministry of Commerce & Industry**, it actively **contributes to the policies of the Government** of India as an **advisory body** and acts as an **interface between the engineering industry and the government**.
- **Set up in 1955**, EEPC India now has a **membership base of over 13,000**, out of whom **60% are SMEs**.
- EEPC India **facilitates sourcing from India** and encourages MSMEs to raise their standard at par with international best practices.

- It also encourages **MSMEs** to integrate their business with the global value chain.
- **Motto: Engineering the Future**
- It serves as the reference point for the Indian engineering industry and the international business community in its efforts towards establishing India as a major engineering hub in the future.
- EEPC India publishes several reports/studies to make its members aware of international trends and opportunities in order to enhance their global footprint.
- EEPC India is regarded as the **Model Export Promotion Council in India by the Ministry of Commerce and Industry.**
